

The mission is to broaden the offerings of the entertainment and educational events held at the Endries Performing Arts Center located at Brillion High School. A secondary purpose is to provide enhancements to the facility that supports the programing at the Endries Performing Arts Center.

FACTS ABOUT THE ENDRIES PERFORMING ARTS CENTER ENDOWMENT FUND:

The endowment fund was established in 2013 as a part of the Brillion Area Family of Funds to put forward the mission with a sustainable funding source. Since then the Endries Performing Arts Center has hosted several outstanding shows and featured entertainment from acts locally and across the country.

To raise money for the mission Bob and Pat Endries will match up to **\$125,000 for The Endries Performing Arts Center Endowment Fund**. To capitalize on this fantastic and gracious offer, Friends is offering an Annual Season Sponsorship Challenge. The information on the back of this sheet outlines the various levels under which you can **DOUBLE** your impact to building the Endowment. The annual sponsorships that are received will be designated to the endowment and will be eligible for the matching funds. As the Endowment grows part of the earnings will be used to supplement the events that Friends will offer. Our intent is to cover the cost of the entertainment offerings with event sponsors and ticket sales and allow the Season Sponsorships to impact future years by growing in the Endowment Fund.
